BENEFITS AT-A-GLANCE

These charts summarize some features of the 2014 Alcatel-Lucent medical, dental and vision plan options. Use them:

- **During the annual open enrollment period –**

To compare plan options and coverage amounts before making your enrollment decisions.

Need Information on a Health Maintenance Organization (HMO)?

Due to the number of HMO options offered, HMO coverage information is not shown in these charts.

Medical and prescription drug coverage levels and costs vary by individual HMO option.

To review and print specific plan details for the coverage options available to you, visit the YBR website at <http://resources.hewitt.com/alcatel-lucent>, or call the Alcatel-Lucent Benefits Center at 1-888-232-4111, during the annual open enrollment period.

You can also contact the HMO you are considering. Carrier contact information can be found on page 12 of this booklet. Or, if you are currently enrolled in an HMO, check the back of your HMO ID card.

HOW DO THESE CHARTS WORK?

Check and confirm:

1. If the charts apply to you

These charts apply to:

- Represented participants on sickness or accident disability or workers' compensation;
- Inactive represented employees in COBRA active medical coverage;
- COBRA beneficiaries of represented employees, including COBRA survivors; and
- Survivors of represented employees in the Family Security Program (FSP).

2. Which specific plans apply to you

You may not be eligible for all of the plans shown in these charts. To confirm the coverage for which you (and your dependent[s]) are eligible, you can:

- Visit the YBR website at <http://resources.hewitt.com/alcatel-lucent>; or

3. What's covered

For your quick reference, these charts show coverage amounts. Note that for a service or supply to be covered, it must be:

- Medically necessary for the treatment of an illness or injury, or for preventive care benefits that are specifically stated as covered;
- Provided under the order or direction of a physician;
- Provided by a licensed and accredited healthcare provider practicing within the scope of his or her license in the state where the license applies;
- Listed as a covered service and satisfy all the required conditions of services of the plans; and
