Watch for Your New Member ID Cards

UnitedHealthcare® Group Medicare Advantage (PPO) Members

As a reminder, you receive a new medical ID card from UnitedHealthcare every year. This year, you will also receive a new, Nokia-branded prescription drug member ID card from Express Scripts.

You can expect new medical and prescription drug ID cards for your 2017 benefits to arrive in your mail at home by January 1, 2017.

Be sure to have your ID cards handy when you receive healthcare services or fill a prescription so your provider/pharmacy can confirm your coverage and your claims can be processed correctly.

You should continue to use your current ID cards through December 31, 2016.

Need to Schedule an Appointment But Do Not Yet Have Your New ID Card?

Starting in late December, you can print a copy of your 2017 medical ID card from the UnitedHealthcare retiree website at www.UHCRetiree.com.

You will need to sign in or register in order to access the website.

Starting in January, your healthcare provider or pharmacy should be able to confirm your coverage directly with UnitedHealthcare (medical) or Express Scripts (prescription drug).

If you have not received your new ID cards by January 1, contact:

- **Medical ID card:** UnitedHealthcare Customer Care (Member Services) at www.UHCRetiree.com/nokia or 1-888-980-8117 (TTY: 711). Representatives are available from 8:00 a.m. to 8:00 p.m., local time, Monday through Friday.
- **Prescription drug ID card:** Express Scripts at www.express-scripts.com or 1-800-336-5934.

Enrolled in Nokia Dental Coverage for 2017? Dental ID Cards Are *Not* Required

Keep in mind that Aetna does not issue member ID cards; members do not need to present an ID card to receive services under the dental plan.

However, if you would like to have a member ID card, you can print one out from www.aetna.com.

POS, Traditional Indemnity and HMO/Medicare HMO Members

If you are enrolled in the Point of Service (POS) or Traditional Indemnity option for 2017, you will receive new, Nokia-branded member ID cards from your medical (UnitedHealthcare) and prescription drug (Express Scripts) carriers by January 1, 2017. (If you are enrolled in a Health Maintenance Organization [HMO] or Medicare HMO for 2017, you will receive your new medical/prescription drug member ID card from your HMO/Medicare HMO.)

Need to Schedule an Appointment But Do Not Yet Have Your New ID Card?

If you are enrolled in an HMO or Medicare HMO, contact your plan for information. Contact information is available on the Your Benefits Resources™ (YBR) website at <http://resources.hewitt.com/nokia>.

If you have not received your new card(s) by January 1, contact:

Attention UnitedHealthcare Members: Take Advantage of These Tools and Resources Anytime

UnitedHealthcare offers a number of tools and resources to help you manage your and your family's health and healthcare — **at no additional cost to you.**

Voice Identification (ID)

Available to POS and Traditional Indemnity option members only.

Now when you call UnitedHealthcare at the number on the back of your member ID card, you can use a voice ID to authenticate yourself going forward. Here is how it works:

During your call, you will have the option to record a voice ID while speaking your date of birth. Then, whenever you call UnitedHealthcare in the future, the system will recognize you when you say your birthdate.

If you prefer not to record a voice ID, no problem! Simply follow the system prompts to authenticate your identity every time you call. The choice is yours.

Virtual Visits

When you do not feel well or your child is sick, the last thing you want to do is leave the comfort of home to sit in a waiting room. Good news! Starting January 1, 2017, your UnitedHealthcare medical plan option will offer a new alternative for non-emergency care: virtual visits.

A virtual visit lets you see and talk to a doctor from your mobile device or computer without an appointment, for the same copayment or coinsurance you would pay for an office visit. Most visits take about 10 – 15 minutes.

Virtual visits are available 24 hours a day, seven days a week. Use virtual visits when your doctor is not available, you become ill while traveling or you are considering visiting a hospital emergency room for a nonemergency condition.

To access this service, simply log on to www.myuhc.com (if you are enrolled in the POS or Traditional Indemnity medical plan option) or www.UHCRetiree.com/nokia (if you are enrolled in the UnitedHealthcare Group Medicare Advantage [PPO]) and search for “Virtual Visits.” Register and request an appointment. Pay your portion of the service via credit or debit card according to the terms of your medical plan option. Then, enter a virtual waiting room where you can expect to be seen in 15 minutes or less.

Not a UnitedHealthcare member? Check with your HMO or Medicare HMO to see if it offers a similar service.

Coming Your Way: Tax Form 1095

As required by the Affordable Care Act (ACA; healthcare reform), employers must provide Internal Revenue Service (IRS) Form 1095-C to certain (but not all) plan participants each year. The form serves as proof that you met the ACA's requirement for having qualifying healthcare coverage during the year. If this applies to you, you should expect to receive your 2016 Form 1095-C no later than January 31, 2017.

Form 1095 indicates the months of the year that you (and your dependents, if applicable) were offered or were enrolled in medical coverage during 2016. You may need Form 1095 or the information it includes in order to file your federal tax return for 2016. Nokia cannot offer tax advice, so you might consider consulting a tax advisor for further guidance on Form 1095. **(Please note:** Form 1095 will not replace any state forms you may receive that provide proof of medical insurance.)
