Nokia Medical Expense Plan for Management Employees, Nokia Expense Plan for Occupational Employees, Nokia Dental Expense Plan for Active Employees (the “Plans”)

Disclosure of Medical Expense Plans’ “Grandfathered” Status

Notice is hereby given of the Plans’ status as “grandfathered health plans” within the meaning of the Patient Protection and Affordable Care Act, as amended by the Health Care and Education Reconciliation Act of 2010 (collectively, “PPACA”). Under PPACA, a plan that is a grandfathered health plan is exempt from some — but not all — of the consumer protections of PPACA. For example, grandfathered health plans are generally required to make coverage available to adult children of participants until age 26 (the Plans are complying with this requirement) and generally may not impose “lifetime” limits on benefits (the Plans meet these requirements). On the other hand, grandfathered health plans are not required to provide coverage for “preventive” health services without cost-sharing (the Plans impose some cost-sharing). An HMO’s status as a grandfathered health plan is not governed by Nokia and; therefore, the possibility exists that certain HMOs either do not currently qualify or may not continue to qualify for grandfathered status in the future. If you have questions regarding which consumer protections apply and which consumer protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Nokia Benefits Resource Center at 1-888-232-4111 (1-212-444-0994 if calling from outside the United States, Puerto Rico or Canada), from 9:00 a.m. to 5:00 p.m., Eastern Time (ET), Monday through Friday. Participants and beneficiaries may also contact the U.S. Department of Labor’s Employee Benefits Security Administration at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. (This Website has a table summarizing which protections do and do not apply to grandfathered health plans.)

Health Insurance Portability and Accountability Act of 1996 (“HIPAA”)

If you are a participant in the Nokia Medical Expense Plan for Management Employees, or the Nokia Medical Expense Plan for Occupational Employees, and/or the Nokia Dental Expense Plan for Active Employees (the “Plans”), your personal health information is private. HIPAA requires the Plans to inform you of the availability of a notice about the Plans’ privacy practices and legal duties, and your rights concerning your health information received and/or created by the Plans. You can print a copy of the Plans’ Notice of Privacy Practices for your records at any time from the BenefitAnswers Plus Website at www.benefitanswersplus.com. You may also request a copy by calling 1-908-582-4727.

Women’s Health and Cancer Rights Act of 1998 Notice

The Women’s Health and Cancer Rights Act of 1998 ensures that medical plans that cover mastectomies also cover certain related reconstructive surgery. A covered woman who has a mastectomy can elect the following procedures after consulting with her physician and be assured of plan coverage for these expenses:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment required as a result of physical complications for all stages of mastectomy, including lymphedemas.

Coverage is subject to all of the terms of the plan including applicable copayments, deductibles and/or coinsurance provisions. For more information, contact your health plan’s Member Services.

¹ As a result of the acquisition of Alcatel Lucent (the parent company of the Plans’ sponsor) by Nokia Corporation, the Plan names referenced in this document are updated Plan names effective January 1, 2017 (known before January 1, 2017 using “Alcatel-Lucent” as opposed to “Nokia” in the Plan names).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2016. Contact your State for more information on eligibility –
