Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)							
11a If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.)							
If "Yes" is checked, complete lines 11b and 11c.							
11b Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.)							
11c Enter the Receipt Confirmation Code for the 2024 Form M-1 annual report. If the plan was not required to file the 2024 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

#### INDEPENDENT AUDITOR'S REPORT

To the Administrator of the Nokia Retiree Welfare Benefits Plan

### **Opinion**

We have audited the financial statements of the Nokia Retiree Welfare Benefits Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions,

including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024 and schedule of reportable transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management

and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Dollars in thousands)

### 1. Description of the Plan

The following description of the Nokia Retiree Welfare Benefits Plan (the Plan) provides only general information. Participants should refer to the Plan document, and the plan documents and the summary plan descriptions of each of the component plans, for a more complete description of the Plan's provisions.

#### General

The Plan is an umbrella plan comprised of the following component plans: the Nokia Medical Expense Plan for Retired Employees (the Retiree Medical Plan), the Nokia Dental Expense Plan for Retired Employees (the Retiree Dental Plan) and the Nokia Group Life Insurance Plan for Retired Employees (the Retiree Group Life Plan). The Retiree Medical Plan and the Retiree Dental Plan are contributory employee welfare benefit plans that provide standard health benefits to eligible retired employees (and eligible dependents of such retired employees) of Nokia of America Corporation (the Company and also the Plan Sponsor and the Plan Administrator), identified affiliates and predecessor entities. Although the Retiree Group Life Plan permits participant contributions, the Plan has been non-contributory to date. The Plan provides basic life insurance coverage to eligible retired employees of the Company, identified affiliates, and predecessor entities who are eligible for disability or service pensions. The Plan and its component plans are employee welfare benefit plans subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

Effective October 1, 2024, the Company revised the governance structure of the Plan to make the following committees the responsible fiduciaries for the Plan:

- (i) With respect to matters relating to Plan investments: the Nokia Pension and Benefit Investment Committee (PBIC);
- (ii) With respect to matters relating to Plan administration (other than appeals from denied claims for benefits): the (Nokia) Administrative Oversight Committee; and
- (iii) With respect to appeals from denied claims for benefits: the (Nokia) Employee Benefits Committee.

Plan investments are held in two separate trusts: (1) the Lucent Technologies Inc. Postretirement Welfare Benefits Trust for Represented Employees (the Represented Trust), and (2) the Lucent Technologies Inc. Postretirement Welfare Benefits Trust for Nonrepresented Employees (the Nonrepresented Trust). Each of these trusts qualifies as a voluntary employees' beneficiary association (VEBA) under Section 501(c)(9) of the Internal Revenue Code of 1986, as amended

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 1. Description of the Plan (continued)

(the Code). The exclusive purpose of these trusts is to fund future postretirement health benefits and life insurance coverage for the eligible participants of the Plan. The Bank of New York (the Trustee) is the trustee and custodian for all the investments of these trusts other than investments made under the group life insurance policies issued by MetLife. Nokia Investment Management Corporation (NIMCO), a wholly-owned direct subsidiary of the Company, was, until September 30, 2024, the "named fiduciary" (within the meaning of ERISA) of these trusts and was the fiduciary with authority to direct the Trustee. Effective October 1, 2024, NIMCO was removed as the "named fiduciary" of these trusts, and the PBIC replaced NIMCO as the "named fiduciary" and entity with authority to direct the Trustee. Also, effective October 1, 2024, the Company appointed Mercer Investments LLC as the Outsourced Chief Investment Officer and fully-discretionary investment manager (within the meaning of ERISA 3(38)) and fiduciary with respect to the assets of these trusts.

In August 2019, the Company and the Communications Workers of America and International Brotherhood of Electrical Workers (collectively, the Unions) entered into an agreement (i) to continue health benefits for formerly represented retirees through December 31, 2024, (ii) to reduce the Company's funding commitment with respect to such health benefits for the 2020, 2021, 2022, 2023 and 2024 plan years by \$40,000 each year, and (iii) to continue life insurance coverage for such retirees through December 31, 2024. In October 2020, the Company and the Unions entered into a further agreement (i) to continue health benefits for formerly represented retirees through December 31, 2027, (ii) to reduce the Company's funding commitment with respect to such health benefits for the 2025, 2026, and 2027 plan years by \$40,000 each year, and (iii) to continue life insurance coverage for such retirees through December 31, 2027.

#### **Benefits**

The Plan provides health benefits (hospital, surgical, medical, prescription drug and mental health/chemical dependency), including a Health Maintenance Organization option and a Medicare Advantage Preferred Provider Organization (MAPPO) option, and dental benefits, including a Dental Maintenance Organization option and a Preferred Provider Organization option, to eligible retired participants, their lawful spouses, and eligible dependents. The Plan provides for continuation of certain benefits upon the occurrence of a qualifying event through the Consolidated Omnibus Budget Reconciliation Act of 1985.

In addition to health benefits, the Plan provides death benefits to eligible retired employees of the Company which are payable to their beneficiaries. A participant may assign his or her life insurance under the Plan in accordance with the terms and conditions of the policy. Benefit payments for these benefits are administered under insurance contracts with Metropolitan Life Insurance Company (MetLife). The claims are fully insured under experience-rated contracts.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 1. Description of the Plan (continued)

The Company pays for the benefits under the Plan, and the Plan then reimburses the Company for certain benefit payments.

### Section 420 maintenance of cost obligation

Section 420 of the Code permits employers maintaining an overfunded defined benefit pension plan to transfer excess pension assets (as defined in Section 420) from the pension plan to a health benefits account, a retiree life insurance account, or both, established within the pension plan, and to use the assets in such accounts to pay for applicable health benefits or applicable life insurance benefits (each as defined in Section 420) for retired employees (and, with respect to health benefits, their spouses and dependents). Under current law, no such transfers may be made after December 31, 2032.

A transfer of excess pension assets under Section 420 imposes certain "maintenance of cost" obligations on the group health plan or arrangement and group term life insurance plan under which the applicable health benefit and applicable life insurance benefits, as the case may be, are provided.

#### **Contributions**

In December 2024, the Company made a contribution in the amount of \$40,000 for prepaid premiums for retiree life insurance coverage for eligible formerly represented occupational retirees for the period January 1 through December 31, 2025. The contribution is recorded in Other contributions on the Statement of Changes in Benefit Obligations and Net Assets Available for Benefits. See Note 4 for additional information.

The Company has established two VEBA trusts (the Trusts). According to the Trusts' agreements, the Company may contribute such assets to the Trusts as it reasonably determines necessary and appropriate to pay expenses under the various medical, dental, and group life benefit plans consistent with any limitations under Section 419 of the Code and shall specifically indicate the allocation of such assets among the plans.

Participant contributions are made primarily through pension deductions and direct billing by the Company, which in turn remits contributions to the Plan on the participants' behalf. Participant contributions reflect the cost of the selected coverage level and optional dependent coverage less the amount of cost paid by the Company. Participant contributions also include elections to continue coverage for dependents of deceased retired participants.

# Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

## 1. Description of the Plan (continued)

For eligible formerly represented occupational retirees who retired before March 1, 1990, the Company pays the entire cost of the medical and dental coverage, except for non-grandfathered Class II dependents for whom the retiree pays the entire cost. In addition, the Company reimburses the entire amount of Medicare Part B premiums for these Medicare-eligible retired employees and/or their spouses.

For eligible formerly represented occupational retirees who retire on or after March 1, 1990, Company contributions are limited to the following annual amounts for medical and dental coverage:

	Formerly Represented Occupational
	(In whole dollars)
Retired under age 65 – single coverage Retired under age 65 – family coverage Retired age 65 and over – single coverage Retired age 65 and over – family coverage	\$ 4,225 8,600 2,000 4,625

In addition, the amount the Company reimburses for Medicare Part B premiums for these Medicare-eligible retired employees will not exceed \$46.00 per month (\$33.00 for spouses) (in whole dollars). However, no reimbursement is made for spouses of employees who retired after May 31, 1998.

For eligible management and non-represented occupational retirees who retired before March 1, 1990, the Company pays the entire cost of the medical coverage, except for non-grandfathered Class II dependents for whom the retiree pays the entire cost. Management and non-represented occupational retirees pay the full dental cost.

Effective January 1, 2017, medical and dental coverage was eliminated for post-March 1, 1990 non-Medicare eligible management retirees and their dependents and for post-March 1, 1990 non-Medicare eligible non-represented occupational retirees and their dependents. For post-March 1, 1990 Medicare-eligible management and non-represented occupational retirees and their dependents, the retiree pays the entire cost.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 1. Description of the Plan (continued)

Pursuant to a December 2004 collective bargaining agreement between the Company and the Unions, the Lucent Supplemental Healthcare Benefits Trust for Formerly Represented Retirees (SHBT) was established for the exclusive purpose of paying a portion of the retiree healthcare benefits that eligible participants and their beneficiaries who are covered by the agreement would otherwise be required to absorb through premiums and other payments. The SHBT provides reimbursement to the Company for a portion of the participants' medical and/or dental expenses. During the year ended December 31, 2024, the SHBT reimbursed the Plan in the amount of \$25,180 which is recorded in Other contributions on the Statement of Changes in Benefit Obligations and Net Assets Available for Benefits.

Prescription drug benefits are provided for Medicare-eligible management and non-represented occupational retirees through a Medicare Prescription Drug Plan (PDP). In a PDP, the prescription drug vendor contracts directly with The Centers for Medicare and Medicaid Services (CMS) to provide Medicare Part D coverage. Plan sponsors who offer PDPs do not receive Medicare Part D Retiree Drug Subsidies for these plans. Effective January 1, 2021, the PDP is administered by UnitedHealthcare, through an insured UnitedHealthcare<sup>®</sup> Group MAPPO plan with prescription drug coverage. Also, effective January 1, 2021, formerly represented occupational retirees are covered under a self-insured drug program administered by CVS Caremark. Other self-insured programs include certain medical options administered by UnitedHealthcare and a dental option administered by Aetna.

#### **Benefit obligations funding**

The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. At December 31, 2024 and 2023, the Plan's benefit obligations exceeded its net assets available for benefits. However, management expects that the Plan's net assets available for benefits and future Company contributions will be sufficient to fund obligations as they become due.

#### Plan termination

Although it has not expressed any intention to do so, the Company has the right under the Plan, subject to collective bargaining agreements, to modify the benefits provided to participants, to discontinue its contributions at any time, and to terminate the Plan, subject to the provisions set forth in ERISA. In the event of such termination, the net assets of the Plan shall be allocated to pay the benefit obligations of the Plan in accordance with ERISA.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 2. Summary of accounting policies

### **Basis of accounting**

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

### Valuation of investments and income and expense recognition

The Plan invests in commingled funds and a registered investment company (RIC). Investments in commingled funds are valued at fair value based on the net asset value (NAV), as a practical expedient, on the last business day of the plan year as determined by the fund's investment manager. The investment in the RIC is a government money market and is valued at fair value based on the fund's quoted NAV on the last business day of the plan year. See Note 3 for additional information.

Purchases and sales of investments are recorded on a trade-date basis. Interest income and administrative expenses are recorded on an accrual basis. Dividend income is recorded on investments held as of the ex-dividend dates. The net appreciation in fair value of investments consists of the realized gains and losses on the sales of securities and the unrealized appreciation/(depreciation) of investments.

#### Valuation of group life insurance policies

The Company has prepaid premiums for life insurance policies with an insurance company. The prepaid premiums are invested by the insurance company, at the Plan's direction, in equity, fixed income and international equity separate accounts and general accounts, all of which are valued by the insurance company at NAV, as a practical expedient. The underlying investments in the separate accounts are valued at fair value generally using readily available quoted market prices. If there is no readily available quoted market price for any asset in the separate accounts, the insurance company determines, at its discretion and in accordance with any applicable laws and regulations, the value to be used as such asset's fair value. The Plan is allocated a portion of the earnings from these investments. The general account's interest crediting rate is currently based upon the six-month U.S. Treasury bill plus 0.25%. The policies are valued by the insurance company based on the fair value of the underlying assets in the separate accounts and the general account balance.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 2. Summary of accounting policies (continued)

valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### Postretirement benefit obligation (PBO)

The PBO represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered to December 31 of the applicable year. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired employees and eligible dependents and beneficiaries, (2) active management employees with more than 15 years of service as of June 30, 2001 and eligible dependents and beneficiaries and (3) all represented employees and eligible dependents and beneficiaries after retirement from the Company. Prior to an active employee's full eligibility date, the PBO is the portion of the expected postretirement benefit obligation that is attributed to that employee's service performed prior to the valuation date.

The PBO is determined by the Plan's actuary, Aon Consulting, Inc., and is the amount that results from applying actuarial assumptions to historic claims cost data to estimate future annual incurred claims cost per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

For purposes of determining the actuarial present value of the PBO for medical as of December 31, 2024, a 3.41% post-65 medical, pre-65 medical and all prescription drug annual rate of increase in the per capita cost of covered benefits was assumed for 2025 for formerly represented occupational retirees and a 7.0% post-65 medical, 8.0% pre-65 medical and 12.00% post-65 prescription drug and 13.0% pre-65 prescription drug annual rate of increase in the per capita cost of covered benefits were assumed for 2025 for management and non-represented occupational retirees. The rates for all medical and prescription drug benefits were assumed to change to 4.50% after 2025 for formerly represented occupational retirees and to decline gradually after 2025 to 4.50% by the year 2034 and then remain constant for management and non-represented occupational retirees.

For purposes of determining the actuarial present value of the PBO for medical as of December 31, 2023, a 4.34% post-65 medical, pre-65 medical and all prescription drug annual rate of increase in the per capita cost of covered benefits was assumed for 2024 for formerly represented occupational retirees and a 5.80% post-65 medical, 6.70% pre-65 medical and 8.00% prescription drug annual

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 2. Summary of accounting policies (continued)

rate of increase in the per capita cost of covered benefits were assumed for 2024 for management and non-represented occupational retirees. The rates for all medical and prescription drug benefits were assumed to change to 4.50% after 2024 for formerly represented occupational retirees and to decline gradually after 2024 to 4.50% by the year 2032 and then remain constant for management and non-represented occupational retirees. These assumptions could greatly affect the amounts reported. To illustrate, increasing the assumed trend rate by 1% in each year could increase the PBO for medical benefits by \$4,300 and \$6,100 at December 31, 2024 and 2023, respectively.

For purposes of determining the actuarial present value of the PBO for dental as of December 31, 2024, a rate of 3.0% was assumed for 2025 and beyond. For purposes of determining the actuarial present value of the PBO for dental as of December 31, 2023, a rate of 3.0% was assumed for 2024 and beyond. These assumptions could greatly affect the amounts reported. To illustrate, increasing the assumed trend rate by 1% in each year could increase the PBO for dental benefits by \$300 and \$400 at December 31, 2024 and 2023, respectively.

For group life costs, the PBO is the amount that results from applying actuarial assumptions to participant census data to estimate future annual incurred claims cost per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The following summarizes other significant actuarial assumptions used in the valuations as of December 31, 2024 and 2023, respectively:

Weighted-average discount rate: 5.30% (2024), 4.67% (2023)

Mortality: 2024: Society of Actuaries Pri-2012 amounts –

weighted, white collar for management retirees and blue collar for occupational retirees with MP-2020

generational projection scale

2023: Society of Actuaries Pri-2012 amounts –

weighted, white collar for management retirees and blue collar for occupational retirees with MP-2020

generational projection scale

Weighted average rate of

compensation increase: 2.85% (2024), 2.85% (2023)

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

## 2. Summary of accounting policies (continued)

The foregoing assumptions are based on the presumption that the benefits will continue. Were the benefits to terminate, different actuarial assumptions and other factors might be applicable in determining the PBO. The changes in actuarial assumptions and experience on the Statement of Changes in Benefit Obligations and Net Assets Available for Benefits for the year ended December 31, 2024 in the amount of \$5,300 include an increase of \$2,300 related to changes in the liability for claims incurred but not reported.

### **Medicare subsidy**

The Medicare Prescription Drug, Improvement and Modernization Act of 2003 provides for a government subsidy to plan sponsors that maintain a prescription drug plan for Medicare-eligible participants that is at least actuarially equivalent to the benefit provided by Medicare Part D. The Plan does provide an actuarially equivalent benefit. Therefore, the Company expects to receive a subsidy. The Plan's benefit obligation does not reflect the subsidy because the subsidy is provided to the Company and not the Plan.

### Claims incurred but not reported

Plan obligations at December 31, 2024 and 2023 for incurred but not reported claims are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party administrator and are reported on the Statements of Benefit Obligations and Net Assets Available for Benefits. These amounts are paid by the Plan only if claims are submitted and approved for payment. The liability for claims incurred but not reported as of December 31, 2024 and December 31, 2023 is \$9,200 and \$6,900, respectively.

#### Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make significant estimates and assumptions that affect the reported amounts of assets and benefit obligations and changes therein and disclosures of contingent assets and liabilities. These significant estimates include the Plan's benefit obligations and fair value of investments. Actual results could differ from those estimates.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 2. Summary of accounting policies (continued)

#### Risks and uncertainties

Plan contributions and the actuarial present value of the Plan's benefit obligations are determined based on certain assumptions pertaining to per capita claim estimates, interest and mortality rates, inflation rates and participant demographics, all of which are subject to change. As of the date of these financial statements, the Company believes these estimates and assumptions concerning matters such as interest rates and participant demographics are reasonable. However, due to the uncertainties inherent in making any estimate or assumption, it is at least reasonably possible that actual results may differ materially from what has been estimated or assumed.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in near term and that such changes could materially affect the amounts reported in the Statements of Benefit Obligations and Net Assets Available for Benefits.

#### **Contributions**

Contributions are recorded when earned.

### Payment of benefits

Claims are recorded when paid and are presented net of rebates. Premiums are recorded when paid. Certain premiums and claims are paid from the general assets of the Company. However, all premiums and claims are recorded in the accompanying Statement of Changes in Benefit Obligations and Net Assets Available for Benefits, regardless of whether they were paid from Plan assets or from the general assets of the Company.

## **Administrative expenses**

The Plan pays certain administrative expenses that include, but are not limited to, fees paid to the plan recordkeeper, third-party claims administrators, auditor, trustee, investment manager, actuary and allocable portions of certain salaries and fringe-benefit costs. These expenses are reported on the Statement of Changes in Benefit Obligations and Net Assets Available for Benefits as administrative expenses. All other administrative expenses are paid by the Company.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 2. Summary of accounting policies (continued)

#### Rebates and refunds receivable

Rebates are recorded when earned from the provider and netted against claims paid in the accompanying Statement of Changes in Benefit Obligations and Net Assets Available for Benefits. The Plan utilizes a pharmacy benefit manager which periodically issues rebates to the Plan based on the Plan's actual utilization pattern of specific drugs. Rebates due as of the financial statement date are reported as a receivable, with the offset netted against claims paid. Rebates received during the year totaling \$47,728 and rebates receivable of \$17,610 as of December 31, 2024 are netted against claims paid in the accompanying Statement of Changes in Benefit Obligations and Net Assets Available for Benefits for the year ended December 31, 2024.

Refunds are recorded when earned from the provider and netted against premiums paid in the accompanying Statement of Changes in Benefit Obligations and Net Assets Available for Benefits. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against premiums paid. No refunds have been netted against premiums paid in the accompanying Statement of Changes in Benefit Obligations and Net Assets Available for Benefits for the year ended December 31, 2024.

#### Due from/to Sponsor, net

The Plan Sponsor makes benefit payments on behalf of the Plan and has the right to receive subsequent reimbursement from the Plan. Amounts due to the Plan Sponsor that have yet to be reimbursed are recorded as a liability. Amounts due from the Sponsor that have yet to be received are recorded as a receivable. The Plan has reported on the Statements of Benefit Obligations and Net Assets Available for Benefits a Due to Sponsor, net of participant contributions of \$1,762, of \$13,306 as of December 31, 2024, and a Due to Sponsor, net of participant contributions of \$1,860, of \$9,845 as of December 31, 2023.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

#### 3. Investments

#### Fair value measurements

The Plan follows a three-level valuation hierarchy for disclosure of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 – inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted market prices for identical or similar assets or liabilities in markets that are not active, and inputs that are observable for the assets or liability, either directly or indirectly, for substantially the full term of the financial statements.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurements.

# Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 3. Investments (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2024 and 2023. Assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement. The Plan did not hold any Level 2 or Level 3 investments in 2024 or 2023.

	As of December 31, 2024								
	<u> </u>	Level 1	Lev	el 2 I	evel 3	$NAV^1$	-	Total	
Registered investment company	\$	7,141	\$	- \$	_	\$ -	\$	7,141	
Group life insurance policies <sup>2</sup>		_		_	_	483,836		483,836	
Commingled funds <sup>3</sup>		_		_	_	168,653		168,653	
Total assets	\$	7,141	\$	- \$	_	\$ 652,489	\$	659,630	
				As of Dece	mber 31,	2023			
		Level 1	Le	vel 2	Level 3	NAV <sup>1</sup>		Total	
Registered investment company	\$	7,420	\$	- \$	_	\$ -	\$	7,420	
Group life insurance policies <sup>2</sup>		_		_	_	475,202		475,202	
Commingled funds <sup>3</sup>		_		_	_	148,681		148,681	
Total assets	\$	7,420	\$	- \$	_	\$ 623,883	\$	631,303	

- Assets measured at NAV represents investments fair valued using NAV as a practical expedient. These investments are not leveled on the fair value hierarchy table.
- <sup>2</sup> Prepaid premiums of the group life insurance policies are invested in the following separate accounts:
  - Equity Index Account #150 which seeks to approximate the performance of the S&P 500 Index by investing in a sample of the companies that are included in the index.
  - International Equity Index Account #273 which seeks to approximate the performance of the MSCI EAFE Index by investing in a sample of the companies that are included in the index.
  - Small Cap Equity Index Fund #256 which seeks to approximate the performance of the Russell 2000 Index by investing in a sample of companies that are included in the index.
  - Core Fixed Income Account #81 which seeks to outperform the Bloomberg U.S. Aggregate Bond Index by investing in a sample of securities that are included in the index.

There are no unfunded commitments and currently no redemption restrictions on any of the separate accounts.

As of December 31, 2024 and 2023, commingled funds were comprised of \$97,708 and \$82,970, respectively, of an equity index fund, \$16,071 and \$14,590, respectively, of a U.S. debt index fund and \$54,874 and \$51,121, respectively, of an international equity index fund. There are no unfunded commitments and currently no redemption restrictions on the commingled funds.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

#### 4. Section 420 transfers

From time to time, pursuant to Section 420 of the Code, the Company transfers portions of the excess pension assets of the Lucent Technologies Inc. Master Pension Trust (MPT) held for the Lucent Technologies Inc. Pension Plan (the LTPP) to an account of the LTPP under the MPT established under section 401(h) of the Code and/or to an account of the LTPP under the MPT established under Section 420(a) of the Code (an applicable life insurance account) to pay for, respectively, retiree healthcare costs for eligible formerly represented retirees and their eligible covered dependents and to pay for retiree life insurance coverage for eligible formerly represented retirees covered by the Company's agreement with the Unions regarding retiree healthcare benefits and life insurance coverage. These transfers constitute "collectively bargained transfers" within the meaning of Section 420(f) of the Code.

From time to time, pursuant to Section 420 of the Code, the Company also transfers portions of the excess pension assets of the MPT held for the Nokia Retirement Income Plan (the NRIP) to an account of the NRIP under the MPT established under Section 420(a) of the Code (an applicable life insurance account) to pay for retiree life insurance coverage for eligible non-represented retired employees eligible for such life insurance coverage under the terms of the Plan. These transfers constitute "qualified future transfers" within the meaning of Section 420(f) of the Code.

In accordance with Sections 401(h) and 420(a) of the Code, the Plan's investments in the 401(h) account may not be used for or diverted to any purpose other than providing health benefits for eligible participants and their eligible covered dependents as well as administration costs and the Plan's investments in the applicable life insurance account may not be used for or diverted to any purpose other than providing applicable life insurance benefits with respect to eligible participants as well as administration costs. The related obligations for health benefits and applicable life insurance benefits are not reported in the LTPP's or the NRIP's Statement of Accumulated Plan Benefits but are reported as obligations of the Plan.

# Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 4. Section 420 transfers (continued)

The following tables present the net assets held in the LTPP for retiree healthcare obligations funded under Code section 401(h) as of December 31, 2024 and 2023 and the related changes in net assets for the year ended December 31, 2024.

	December 31				
	 2024	2023			
Net assets held in MPT - restricted for 401(h) account	\$ <b>76,963</b> \$	123,177			

Changes in net assets in the 401(h) account for the year ended December 31, 2024:

Transfer from LTPP	\$ _
Interest income	5,219
Administrative expenses	(6,394)
Benefit payments	 (45,039)
Net decrease in 401(h) account	\$ (46,214)

Detailed disclosures on the investments in the 401(h) account, which is held by the MPT, are presented in the LTPP financial statements as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

The net assets held in the LTPP for applicable life insurance benefits under Section 420 of the Code as of December 31, 2024 and 2023 were \$5 and \$7, respectively.

The following table presents the changes in net assets in the applicable life insurance account for the year ended December 31, 2024:

Transfer from LTPP	\$ 39,992
Interest income	6
Prepaid premium payments to insurance carrier	(40,000)
Net change in applicable life insurance account	\$ (2)

Detailed disclosures on the investments in the applicable life insurance account, which is held by the MPT, are presented in the LTPP financial statements as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

#### 5. Tax status

The Plan was originally funded by means of a trust established effective as of October 1, 1996 known as the Lucent Technologies Inc. Postretirement Life Insurance Benefits Trust (Life Insurance Benefits Trust). The Life Insurance Benefits Trust obtained a recognition of exemption letter from the Internal Revenue Service (IRS) dated November 25, 1998. The Life Insurance Benefits Trust was amended and restated in 2002, and its tax-exempt status was confirmed by a private letter ruling issued by the IRS on October 10, 2002. Pursuant to the private letter ruling, a further trust was established – the Nonrepresented Trust, and certain life insurance assets associated with the Life Insurance Trust were transferred to the Nonrepresented Trust. The Life Insurance Trust was also renamed the Represented Trust. The Represented Trust and the Nonrepresented Trust were each further amended in 2004. The IRS confirmed the tax-exempt status of both the Represented Trust and the Nonrepresented Trust by a private letter ruling issued September 8, 2004. The Nonrepresented Trust also obtained a recognition of exemption letter from the IRS dated May 24, 2011.

The Plan, the Represented Trust and the Nonrepresented Trust are required to operate in conformity with the Code to maintain the tax-exempt status of the trusts. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the related trusts are tax exempt. Accordingly, no provision for income taxes has been made.

U.S. GAAP requires the Plan Administrator to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### 6. Party-in-interest and related-party transactions

As described in Note 2, the Plan pays certain investment and administrative expenses of the Plan to various service providers that are deemed parties-in-interest under the provisions of ERISA. The payment of these expenses meets the requirements of one or more prohibited transaction exemptions under ERISA.

# Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### **6.** Party-in-interest and related-party transactions (continued)

As described in Note 1, NIMCO provided fiduciary services to the Plan through September 30, 2024. Effective October 1, 2024, pursuant to delegation from the PBIC (the named fiduciary of the Plan with respect to investment matters), certain employees of the Company (supported by certain employees of NIMCO) have provided fiduciary services to the Plan. NIMCO charged the Plan only for the costs that are incurred for providing such services to the Plan. For the year ended December 31, 2024, the Plan incurred fiduciary service fees of \$52, which are included in administrative expenses on the Statement of Changes in Benefit Obligations and Net Assets Available for Benefits. At December 31, 2024 and 2023, the Plan had a payable due to NIMCO of \$3 and \$20, respectively, which is included in accrued administrative expenses on the Statements of Benefit Obligations and Net Assets Available for Benefits.

The Company, also a party-in-interest with respect to the Plan, provides certain administrative services to the Plan but at no cost to the Plan.

Certain Plan investments are managed by affiliates of the Trustee. At December 31, 2024 and 2023, the Plan held \$7,141 and \$7,420, respectively, of the Dreyfus Treasury and Agency Cash Management Fund, which is a fund that is managed by affiliates of the Trustee.

Life insurance benefit payments are administered by MetLife under insurance policies. The prepaid premiums of these policies are invested in separate accounts which are managed by MetLife.

### 7. Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023:

	 2024	2023
Net assets available for benefits per the financial		
statements	\$ 740,572 \$	760,625
Less:		
Medical claims payable and liability for claims		
incurred but not reported	(9,200)	(6,900)
Net assets held in MPT – 401(h) account	(76,963)	(123,177)
Net assets held in MPT – applicable life insurance		
account	(5)	(7)
Net assets per Form 5500	\$ 654,404 \$	630,541

# Notes to Financial Statements (continued)

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

(Dollars in thousands)

### 7. Reconciliation of financial statements to Form 5500 (continued)

The following is a reconciliation of the decrease in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

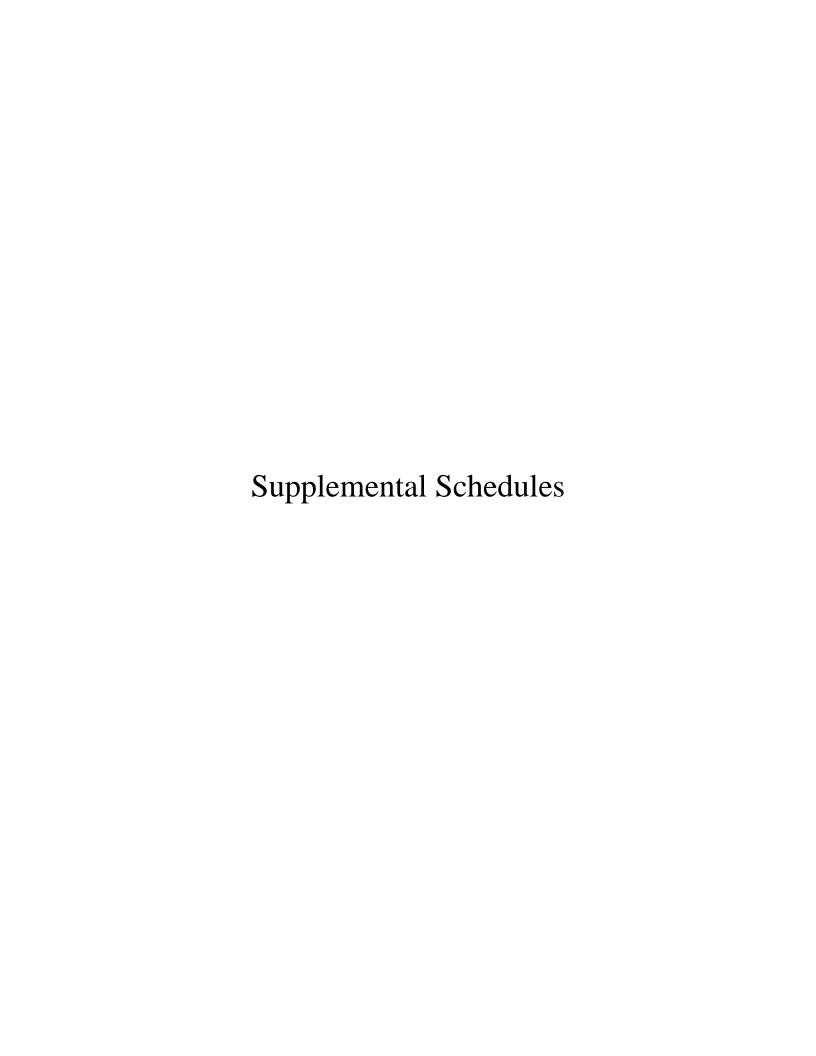

Net decrease in net assets available for benefits per the financial	
statements	\$ (20,053)
Add:	
Medical claims payable and liability for claims incurred but not	
reported as of December 31, 2023	6,900
Net decrease in 401(h) account	46,214
Net decrease in applicable life insurance account	2
Less:	
Medical claims payable and liability for claims incurred but not	
reported as of December 31, 2024	(9,200)
Net income per Form 5500	\$ 23,863

Claims that have been processed and approved for payment at year end but not paid and claims incurred but not reported are not considered liabilities under U.S. GAAP and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

The net assets and related activity of the 401(h) account and applicable life insurance account included in the financial statements are not included in the Form 5500 because the assets are held by the MPT.

### 8. Subsequent events

Management evaluated subsequent events through September 18, 2025, the date the financial statements were available to be issued. There were no subsequent events that occurred between January 1, 2025 through September 18, 2025 that required disclosures in or adjustments to the financial statements.
