This notice, called a Summary of Material Modifications (“SMM”), advises you of changes in the information presented in your Summary Plan Description (sometimes called an “SPD”) for the Alcatel Data Networks Inc. Retirement Pension Plan (the “ADN Plan”), which is now known as the ADN Retirement Pension Program and which forms a part of the Alcatel-Lucent Retirement Income Plan (the “Pension Plan”). The changes described in this SMM also apply to any predecessor plan in which you might have participated that was merged into the ADN Plan.

Please do two things:

1. Read this notice, and
2. Retain a copy of this notice for your records.

The changes are as follows:

1. NEW RECORDKEEPER

Effective January 2, 2015, Aon Hewitt became the new recordkeeper for the Pension Plan. Accordingly, references in your SPD to the “HR Service Center” and the “PSC,” including contact information, are obsolete. Information about your Pension Plan benefit is accessible, and pension transactions can be initiated, online through the Your Benefits Resources (YBR)™ website at <http://resources.hewitt.com/alcatel-lucent>, 24 hours a day, seven days a week. If you need to speak with a customer service representative, the Alcatel-Lucent Benefits Center is available to you from 9:00 a.m. to 5:00 p.m., ET, Monday through Friday. Call 1-888-232-4111 and select “Retirement and Investments.” For your convenience, an updated list of “Important Contacts” for the Pension Plan is attached.

2. NEW CONTACT INFORMATION FOR QDRO ADMINISTRATION AND FOR THE PLAN ADMINISTRATOR, AND NEW ROOM NUMBER FOR THE EMPLOYEE BENEFITS COMMITTEE

Contact information for the Pension Plan Administrator has changed as has contact information with respect to the administration of “qualified domestic relations orders” (QDROs). Also, the room number for the Alcatel-Lucent Employee Benefits Committee (the EBC) has changed. New contact information is shown in the attached updated list of “Important Contacts” for the Pension Plan.

3. WRITTEN CONSENT OF SPOUSE NO LONGER REQUIRED TO ELECT A JOINT-AND-75% CONTINGENT ANNUITY OR A JOINT-AND-100% CONTINGENT ANNUITY

Note: If you are already receiving payment of your Pension Plan benefit, this change does not apply to you.

Effective January 1, 2015, if you are married at the time you seek to commence receiving your benefit under the Pension Plan, you no longer are required to obtain the written consent of your Spouse (as defined in the Pension Plan) in order to receive payment in the form of a Joint and 75% Contingent Annuity (also sometimes referred to as a “qualified optional survivor annuity” (QOSA)) or Joint and 100% Contingent Annuity.

4. NEW (INCREASED) THRESHOLD FOR AUTOMATIC CASH-OUTS

Effective January 1, 2015, the threshold for automatic payments from the Pension Plan (payments not requiring your written consent and, if applicable, the written consent of your Spouse) has been increased from \$1,000 to \$5,000. What this means is that, commencing January 1, 2015, if the present value of the pension benefit payable to you under the Plan after termination of your employment with Alcatel-Lucent is \$5,000 or less, it will be paid to you as follows:

- If the present value of your pension benefit is more than \$1,000 but less than \$5,000, it will automatically be rolled over to an Individual Retirement Account (IRA) at the IRA-provider selected by

the Plan Administrator (unless you elect to have your benefit paid directly to you or unless you instruct the Alcatel-Lucent Benefits Center to make a rollover distribution of your Pension Plan benefit to an individual retirement account/annuity (IRA) or other tax-qualified plan selected by you).

- If the present value of your pension benefit is \$1,000 or less, it will automatically be paid directly to you (unless you instruct the Alcatel-Lucent Benefits Center to make a rollover distribution of your Pension Plan benefit to an individual retirement account/annuity (IRA) or other tax-qualified plan selected by you).
